SKILLS

Languages	JAVA, HTML, CSS, JavaScript
Frameworks and Technologies	ReactJS, NodeJS, Bootstrap, Tailwind CSS, MongoDB
Others	Figma, Power BI, Github Version Control, Postman
Interests	Basketball, Traveling, Cooking

EXPERIENCE

Maharashtra Remote Sensing Applications Centre (Internship) — Jan 2024 - June 2024
Nagpur, Maharashtra

- Developed expertise in **Power BI** to create interactive dashboards and comprehensive reports, enhancing data visualization and decision-making processes
- Gained hands-on experience with ArcGIS through active participation in the **MahaBHUMI Project**, contributing to the creation of a GIS-based digital basemap for integrated planning in Maharashtra State.

PROJECTS

Finding Pride in India — Aug 2023 - Dec 2023

- Developed a mobile application and web portal to enhance heritage tourism.
- Frontend: Built using **React JS** and **Tailwind CSS**, with reusable components for a seamless user experience.
- Backend: Implemented in **Node JS** with **Express JS** , featuring a secure **CRUD API**, custom authentication middleware, JWT-based Auth API with OTP verification, product order status API, and add/remove favorite API. Database: Utilized MongoDB for data storage.

BitHub — Feb 2023 - May 2023

- Engineered a comprehensive web portal for centralized access to extensive study materials.
- Frontend: Constructed with **React.js** and employing reusable components for a streamlined user interface.
- Backend: Implemented with **Express.js**, featuring **CRUD APIs**, role-based authentication and authorization, search and filter functionalities, and file upload capabilities using Multer.

ACHIEVEMENTS & RESPONSIBILITY

- **Grand Finalist of Smart India Hackathon 2023** (Problem Statement - Land profiling of Asset Creation process.)
- **Grand Finalist of Smart India Hackathon 2022** (Problem Statement - Created a system for drawing a complete polygon for any small asset by knowing 3 coordinates along with the length and width.)

CERTIFICATES

Google UX Design Professional Certificate — March 2023 - June 2023

EDUCATION

Bachelor of Technology in Computer Engineering
Bajaj Institute of Technology, Wardha. — 8 CGPA

Higher Secondary School Certificate (HSSC)
Chhatrapati Shivaji Preparatory Junior College,Aurangabad. — 71 %
